

Georgia Interfaith
Power & Light

Power Wise

Alexis Chase
Executive Director
www.gipl.org

Faith Principles

- **Stewardship:** Responsible use of God's Creation
- **Justice:** Working to ensure fair usage and distribution of natural resources
- **Community of Life:** Understanding our role in the interdependent ecosystem
- **Awe:** Recognizing the fingerprints of the divine in the created works

Power Wise

 - We must have someone on the Energy Audit with knowledge of and access to your entire building
 - Scheduled through the Energy Auditor
- Host a Congregational Meeting
 - After you receive your Energy Audit Report
 - Can be small group or entire congregation

Monthly Bills Tracking System

The screenshot shows the website interface for the Georgia Interfaith Power & Light (GIPL) Monthly Bills Tracking System. The page is titled "Power Wise Sign In - Monthly Bills Tracking System" and is part of a breadcrumb trail: "Take Action > Power Wise - Energy Audits > Power Wise Sign In - Monthly Bills Tracking System".

The main content area contains the following text:

If your congregation is already signed up for Power Wise, please login to our Monthly Bills Tracking System here. Once you sign-in, you will be able to enter information from your monthly bills to track your energy data.

If your congregation is interested in signing up for Power Wise, [click here](#).

Below the text is a "Power Wise Congregation Sign In" form with the following fields and buttons:

- POWER WISE ID:
- PASSWORD:
- Login button

The left sidebar contains navigation links: "About GIPL", "News/Events", "Take Action", "Learn More", "Worship", "Shop IPL", and "Giving". The bottom sidebar includes a "Power Wise Sign In - Monthly Bills Tracking System" link, "Sample Energy Bills", an "Email Newsletters" sign-up form, and a "View our Email Archive" link.

In order to continue Power Wise into the future, we also ask congregations to donate 1/3rd of your energy savings back into the program for 3 years.

Solar Loan Fund

- ZERO Interest
- 10 year Loan
- Holy Trinity –
4.7 Kilowatt system
